The Honorable Henry J. Taylor  
American Embassy  
14 Taubenstrasse  
Bern, Switzerland

Dear Henry:

Thank you for calling my attention to Joe Alsop's article on Adenauer on Negotiations. Joe is a prophet of gloom when it concerns anything the Government does, and I think enjoys this role.

I have your book "An American Speaks His Mind," and am continually grateful for the word you have to say in the inscription of it.

What is the latest news as regards our helicopter rescue man? If I can push this along with the Air Force, please let me know.

Faithfully yours,

JOHN F. DUNN
